"BAYER CROSS" ON GENUINE ASPIRIN

"Bayer Tablets of Aspirin" to be genuine must be marked with the safety "Bayer Cross." Always buy an unbroken Bayer package which contains proper directions to safely relieve Headache, Toothache, Earache, Neuralgia, Colds and pain. Handy tin boxes of 12 tablets cost but a few cents at drug stores—larger packages also. Aspirin is the trade mark of Bayer Manufacturing of Monoacetic-acidester of Salicylic acid.—Adv.

Birds Have Right of Way.
Fowl have the right of way in air, warns the director of military aeronautics. This is justice indeed, since birds flew first.

But this is not all. Recently many tows along the Atlantic coast have been visited with dead bird showers. A-lators flying by a town would see a flock of wild fowl coming their way. They would set their machine guns and let the bullets fly.

Presently a prominent citizen walking below would be hit with a large bloody bird. He complained to the town, and the town complained to the department of agriculture. Then the federal migratory bird law between the United States and Great Britain was referred to, and it was found that shooting birds from airplanes is unlawful.

Golf Bugs.
His father had taken him out to the golf course. That evening he seemed to be ill-at-ease.
"Willie," said his mother, "what is the matter with you? I wish you'd stop scratching yourself."
"I don't know what's the matter, but I guess I must have got some of those golf bugs on me," was Willie's reply.

AS YOUNG AS YOUR KIDNEYS

The secret of youth is ELIMINATION OF POISONS from your body. This done, you can live to be a hundred and enjoy the good things of life with as much pep as you did when in the springtime of youth. Keep your body in good condition, that's the secret. Watch the kidneys. They filter and purify the blood, all of which blood passes through them once every three minutes. Keep them clean and in proper working condition and you have nothing to fear. Drive the poisonous wastes and deadly uric acid accumulations from your system. Take GOLD MEDAL Haaslem Oil Capsules and you will always be in good condition. You will feel strong and vigorous, with steady nerves and elastic muscles. GOLD MEDAL Haaslem Oil Capsules are imported direct from the laboratories at Haaslem, Holland.
They are a reliable remedy which has been used by the sturdy Dutch for over 200 years, and has helped them to develop into one of the strongest and healthiest races of the world. Get them from your druggist. Do not take a substitute. In sealed packages—three sizes.—Adv.

No Way to Beat the Game.
There is no way to dodge the high cost of living.

Once we thought there was. It was a fine plan and we determined to try it out. Meat was too expensive. So we would quit eating meat.

Therefore we ordered cabbage and asparagus and spinach and beets. Immediately the price of vegetables went up.

We found you couldn't fool the food man. He has a sure system. The price is high on whatever you want to buy. You can switch from one dish to another as often as you choose, but the little old price tag will beat you to it.

Went Too Far.
"The aged caretaker of a certain castle in England was prostrated the other day."
"How did that happen?"
"A facetious visitor, just for a joke, asked to be shown a room once occupied by the kaiser."—Birmingham Age-Herald.

Newfoundland's Memorial Day.
Newfoundland celebrated July 1 this year, but not as Canada does. It was observed throughout the island as Memorial day, in honor of those who laid down their lives during the war. Next year it is proposed to hold the commemoration earlier in the season.

Lots Better.

ROOFS GIVEN MORE THOUGHT

Proper Care Bestowed on Them Has Been Found to Pay in More Ways Than One.

In course of the clean-up and paint-up movement, which produced good results in many towns and cities, repairs of all sorts were brought about. The householder who looked over his property in the spring, with a view of merely removing rubbish from back yards and alleys, found that there was much to be done, and as a result of recent experiences in war economies has been inclined to study methods of saving.

One of the interesting features of the "paint-up" activities has been unusual care in choosing colors. Since the ending of the war a wide scale of colors is again offered, and more attention than at any previous time has been paid to general effect, according to reports received by the own-your-home section, information and education service, United States department of labor. Roofs have been recognized as important in the color schemes, artistic results being obtained by the use of paint in harmonizing or contrasting hues.

As a matter of conservation in the clean-up and paint-up campaigns the repair of roofs has been studied and various methods have been employed to prevent the expense and labor of replacing wooden shingles. Preparations of asphalt are now commonly employed, for they have the advantage of recommending themselves to fire insurance companies and they are inexpensive. In several cities the slogan, "Save the old wooden shingles" has been incorporated with the regular paint-up and clean-up watchwords.

MADE ATTRACTIVE BY VINES

How Rapid-Growing Plants Will Hide Bare Appearance of Garden Flower Box.

A flower box with the side covered by vines presents an attractive appearance. Such a box is easily made by boring large holes in the side of the box and planting vines in the dirt inside of these holes, taking care to leave the foliage all on the outside

while setting the roots deep into the soil. If planted with Vinca or Wandering Jew vines, which grow very rapidly, the box will be entirely hidden in a very short time.—Popular Mechanics Magazine.

Pride of the Home Owner.
"That little place yonder, in the blossoms, where trees wave welcome—that's my home."
It is the true home maker—the real home lover—who says that, coming from the day's tasks, with all the pride of home ownership.

And that is the pride that's felt by the thousand owners of the homes of city streets, or the little home places that help brighten city borders where a greener world begins, remarks the Atlanta Constitution.

It's the pride of proprietorship—life's happiness summed up in a brief sentence: "That's my home!"

Business enterprise builds cities, but it builds them around homes. "A city of homes" is the phrase that awakens interest everywhere. And the age of ownership is coming to be the wonder of the time, with youth looking providently to the future—planning for it, working for it, with all youth's hope and strength!

The humblest shelter may hold happiness enough if the one who walks the way that leads to it can say, in the heart's pride: "That's my home!"

American Shoes in China.
American shoes are in high favor among all classes of Chinese. The average native, however, is unable to secure them because of the high prices, and is obliged to content himself with cloth footwear, or with very poor imitations of the American style of shoes. Leather shoes are only for the wealthy. Practically all of the high-grade leather imported into China for use in shoes comes from the United States, while the lasts are made in Japan and are copies of staple American styles.

A Question.
"After all, there is no place like Peewee's hump!" appreciatively said the landlord of the tavern, who was distended with local pride.
"Probably not," replied a disgruntled guest. "But why don't your people go to work to improve it—have clean streets, a decent lighting system, and acquire other luxuries and necessities—until it resembles a modern and progressive town?"—Kansas City Star.

Jap Merchants in Philippines.
Of the approximately 10,000 Japanese in the Philippines, 2,000 are said to be merchants.

Some birds will take the wrong side of an argument as quick as the other, just to be arguing.

Fair Question.
"I see a Holstein bull just brought \$100,000."

COULD NOT SLEEP

Mr. Schleusner in Misery From Kidney Complaint. Doan's Gave Complete Relief.

"Heavy work brought on my kidney complaint," says Wm. Schleusner, 6408 Suburban Ave., Wellston, Mo. "One morning when shoeing a horse I was taken with a sudden pain in my back and fell flat on the floor. If I had been hit with a trip hammer, I couldn't have suffered more. I stayed in the house for five weeks and the pain was wearing the life out of me. At times, I couldn't get a wink of sleep because of the misery and I had to get up every few moments to pass the secretions that were highly colored, of foul odor, filled with sandy sediment and terribly scalding. My bladder felt as though it were alive. The pain brought stupor and a reeling sensation in my head; the torture of it cannot be described. If I got onto my feet I couldn't walk but felt dizzy and all in a flutter and everything would turn black. My head ached so it seemed as though my eyes were being dragged out. I started using Doan's Kidney Pills and I was soon rid of all the trouble."

Exit Dish-towels.
No more sticky plates and no more dishes dried on dish-towels.

These are two of the things for which the Y. W. C. A. training schools for home assistants is standing. The school was started in answer to the demand for home assistants on the new domestic service plan which have come into the central branch employment bureau. Within the last six months 500 calls for home assistants have come in, and 170 have been successfully filled.

"There should never be a sticky plate after the home assistant has finished the course," Miss Grace H. White, placement secretary, says. "The girls are taught how to make their own soda preparation for cleansing the ice-box, the kitchen closets, etc., and how to clean a sink and a kitchen range so that it shines.
"Dishes are never dried with a dish-towel, but always scalded and allowed to dry without a streak."

Baffling Simplicity.

MARRIED IN BATHING SUITS

Ceremony Certainly Saved Bride and Groom Considerable Expense in Wedding Finery.

The funniest wedding I ever saw was when camping last summer, writes a correspondent of the Chicago Tribune. A girl friend and her father were there and she met a young man whom she grew fond of in a short time. One night he asked her father for her hand, but father objected because of the short acquaintance. The next morning the couple met and planned to elope, but somehow father "got wise," so this was spoiled. When swimming that afternoon they met again and the girl happened to mention that her father had gone to the village and would not return until evening. The boy said: "This is our time." A minister was on the shore and they went to him and asked to be married at once. The ceremony was performed on the beach, the couple attired in their bathing suits.

It Has Happened Before.
As his relatives and friends are aware, George Wharton Pepper is a nonsmoker.

Not long ago Mr. Pepper was about to entertain some distinguished guests whom he, delighted to honor.

His first move in the direction of their entertainment was to procure and send to the house some particularly choice Havana cigars, which "set him back" to the tune of 50 cents each. But it seems the cigars arrived before it was made known at home that the guests were expected.

That evening Mrs. Pepper said to her husband: "Some cigars came for you today—evidently a gift from some one. Knowing you didn't smoke, I gave them to men who were working in the house."—Philadelphia Ledger.
